

COMPULSORY SCHOOL ATTENDANCE LETTER

First Notification

February 18, 2020

Dear Parent:

By law, the Tooele County School District is required to provide written notice to parents of students in grades 1-12 about Compulsory Education prior to the beginning of a school year. This document also becomes notification to students who move into the Tooele County School District during the school year.

Attached to this letter is a copy of the Tooele County School District Compulsory Attendance Policy.

School attendance is very important. Every absence from school interferes with your child's opportunity to learn. Tooele County School District administrators and teachers look forward to assisting parents with getting students to school.

Sincerely,

Dr. Scott A Rogers
Superintendent
