

Welcome to STANSBURY PARK ELEMENTARY

We have an absolutely AMAZING staff, who always supports one another, work together as a team, and go above and beyond for each and every student in our school. Our staff unity is really what makes our school unique and special; It's what gave us our widely known reputation for having an "at home" atmosphere, that is felt when you walk through our doors.

THIS is what makes us STANSBURY PARK ELEMENTARY!

WE ARE EXCITED TO ANNOUNCE THAT:
