

WELCOME TO WILLOW ELEMENTARY

HOME OF THE WILLOW WOLVES

PROUD TO BE A STATE DESIGNATED STEM SCHOOL

Principal's Message

Dear Parents/Guardians and Students:

It is my pleasure to welcome you to Willow Elementary. The faculty and staff join me in saying we are happy to have you as part of the Willow Community. We hope this will be a satisfying year for you. Thank you for doing your online registration and completing all of the steps to becoming a Willow Wolf.

We welcome your participation and support this school year. We hope you will volunteer at our school, and would love your help volunteering, and participating in PTA and Community Council. Working together, we will be able to reach our goals and celebrate the achievements of our students.

At Willow Elementary it is our focus is on kindness and being buddies. Our goal to help each student succeed academically. We want them to become self-sufficient individuals mentally, physically, and socially. It is essential that students attend school regularly and complete academic assignments. Most of all we want them to love school and feel safe.

Again, welcome to our Willow Pack! Please feel free to contact me with any questions at (435) 884-4527 or agillette@tooeleschools.org. I feel that open and clear communication between school and home is important to the success of our educational program. Please check out our school website and join our Willow Facebook page to see all of our exciting happenings. We look forward to meeting you.

Angie Gillette
Willow Elementary Principal
